Subject: metoclopramide

HI Glenn,
This morning you told me you sent out 8000 metoclopramide syringes.
I really do not think we rcvd 8000 – it was more like 4000 to 5000 – and they are pretty much gone.
We do not quite have enough to fill all of the orders we have in the pharmacy, but we have sent everything that has been promised to ship by Wednesday.

Sharon Carter, C.Ph.T.
